Re: Copyright infringement

Dear Sir or Madam:

I am contacting you on behalf of the Lucia Eames dba Eames Office and Eames Office LLC. (Eames). Under penalty of perjury, I submit that I am authorized to act on behalf of Eames in matters involving the infringement of their sound and video recordings, including enforcing their copyrights and common law rights on the Internet.

We believe a user on your network is offering an infringing recording. We have attached below the details of the infringing activity. We have a good faith belief that this activity is not authorized by copyright owners, their agent, or the law. We are asking for your immediate assistance in stopping this unauthorized activity. Specifically, we request that you remove or disable access to the infringing recording.We believe it is in everyone's interest for consumers to be better educated about the subject of copyright law and video recordings. In addition to taking steps to notify this network user about the illegal nature of this activity, we demand the full name and physical address of each person providing a recording of Eames works on your network.

You should understand that this letter constitutes notice to you that this network user may be liable for the infringing activity occurring on your network. In addition, under the Digital Millennium Copyright Act, if you ignore this notice, your institution may also be liable for any resulting infringement. This letter does not constitute a waiver of any right to recover damages incurred by virtue of any such unauthorized activities, and such rights as well as claims for other relief are expressly retained. Moreover, this letter does not constitute a waiver of our members' right to sue the user at issue for copyright infringement.

Thank you in advance for your prompt assistance in this matter. If you have any questions, please feel free to contact me via e-mail at ric@eamesoffice.com , via telephone at 802-479-9874, or via mail at Eames Office, P.O. Box 452, Barre, VT 05641. Please reference Case ID 2006-1009 in any response or communication regarding this infringement.

Sincerely,
Richard Keefer

Powers of Ten
08:46
A very interesting video showing the size and scope of our universe. It's an older film but I think it's fascinating. Sit back and behold the vast expanse of the cosmos. Then see the parallels it holds to the very atoms in our body.
